The Beauty of Human Life!

Three years ago, I was leading a Bible study with students from the SD School of Mines. A young lady began to attend who was pregnant but not married. Lauren was not Catholic, and she heard about the Bible study from her girlfriend who came regularly. One night she shocked all of us by saying that she was pregnant because she had been raped by a stranger.

I spoke with her in private to help her process the trauma. She was struggling to understand why God would let her experience such suffering. Yet, she was able to separate the evil of the rape from the gift of the child in her womb. She was already convinced that the child was a gift from God, and that her only choice was to nurture that beautiful gift of life. Rape did not make the child in her womb any less human, nor any less deserving of life.

I asked Lauren for permission to organize a fundraiser at the Catholic School. The students donated enough to pay for almost one semester of tuition. After her child was born, Lauren came with her baby to thank the STM students. She was beaming with joy. She said that the gift of her son was something that was beyond her wildest dreams. She inspired the students by her witness. During this time, she stayed with her parents in Rapid City who were very supportive of her. Recently she married, and her son now has a mother and a father.

Today is *Respect Life Sunday*. We marvel at the beauty of human life in the sick and elderly, the unborn, the prisoner on death row, in every single human being. We reverence human life because we are created in the image of God and redeemed by the blood of Christ.

Recent legislation threatens our reverence for human life. In implementing the 2010 Patient Protection and Affordable Care Act (the new health care reform law), the U.S. Dept. of Health and Human Services (HHS) recently issued a rule *requiring* almost all private health plans to cover contraception and sterilization as "preventive services" for women.

The new rule would force insurance plans to cover "*all Food and Drug Administration approved contraceptive methods, sterilization procedures, and patient education and counseling for all women with reproductive capacity.*" Never before has the federal government required private health plans to include such coverage. The FDA-approved "emergency contraception" (EC) drugs that are covered by this mandate can work by interfering with implantation of a newly conceived human being. Also, the drug the FDA most recently approved for EC, "Ella," a close analogue to the abortion drug RU-486, has been shown in animal tests to cause abortion. Thus, the mandate includes drugs that may cause an abortion both before and after implantation. For more information about this bill, visit www.usccb.org/conscience.

The legislation treats pregnancy like a "disease." And it violates the conscience protection which has been respected in our nation. We need to be witnesses of the beauty and gift of life. Let us continue to work and pray for the respect of all life, from conception to natural death.

Peace, Fr. Steve

Learn about the Mass

Beginning September 17-18, Fr. Steve will offer a short teaching 15 minutes before the weekend Masses. He will speak about one aspect of the Eucharist and the new translation of the Roman Missal. If you are interested, come to Mass a little early.

Sing & Learn Our New Mass Settings

After reviewing two new Mass settings that the musicians of the diocese recommended, Bishop Gruss selected the "Mass of Renewal", published by OCP. As this will be the setting used for the Chrism Mass in March, the hope is that the diocese will have learned a common Mass setting. OLBH is excited to share in the liturgical life of the diocese, beginning September 17 & 18, teaching and learning the new Mass setting before all weekend Masses.

Listen to our New Mass Setting – You can listen to the Mass of Renewal, by Curtis Stephan, on YouTube or go to http://www.ocp.org/newmasssettings/new_settings/massofrenewal, to listen to or purchase a CD or MP3.

September 16, 2011

Dear Friends in Christ,

This year, ***World Mission Sunday***, will be celebrated in the Rapid City Diocese the weekend of October 8-9, 2011. I am writing to request your help in encouraging prayer and generous support for the missionary work of the Church.

As you tell the faithful about the great work being done in the Missions to make Jesus known and loved, your voice **can** and **will** make a difference to the poor of the world who long to come to know the hope and the love that only Jesus Christ can give—as you “celebrate the hope that saves.”

Together, in prayer and sacrifice, we continue the Lord’s mission to the poor and suffering, partnering with local priests, Religious, and catechists in mission countries. More than 1,150 young churches in the Developing World count on your generous response this ***World Mission Sunday***.

Please also continue to pray that all of us in the Rapid City Diocese may be eager and effective witnesses of Jesus, as He asked us to be.

Sincerely in Christ,

Veronica Valandra

Diocesan Missions Director

Divorced Catholics

Have you ever wondered what a church annulment is? Most of us don't have questions about the annulment process until we go through a divorce or have someone close to us go through one. Some of the most common questions asked about annulments are: *How does an annulment affect the legitimacy of my children? Does a divorced non-Catholic need to get an annulment before marrying a Catholic? Do you have to wait for an annulment before getting remarried? What if I am already remarried?* All these questions and more will be answered at **7:00 p.m. on Thursday, October 27, 2011**. Join Fr. Leo Hausmann and Fr. Dan Juelfs for an informational meeting on Catholic annulments at St. John the Baptist Catholic Church, Custer, SD. There is no charge to attend. To register, call St. John's at 605-673-4426. For more information, contact Jill, Family Life Ministries, 605-343-3541 or jslegner@diorc.org.

Reflection Questions for Next Week

Only those who enter the banquet will share the reign of God.

Children: Why is it important for you to do what Jesus asks of you?

Youth: What lessons do you take away from this dramatic story in today's Gospel? Who do you think will be invited to be part of God's family? Who will not be invited?

Adults: Using Jesus' parable as your starting point, describe in your own words who will be welcome and why they will be welcome, at the eternal banquet of God.

- ❖ Have no anxiety at all, (Philippians 4:6)

If I want only pure water, what does it matter to me whether it be brought in a vase of gold or of glass? What is it to me whether the will of God be presented to me in tribulation or consolation, since I desire and seek only the divine will. (St. Francis de Sales)¹

Diocesan Social Justice Commission

“Do I respect the life and dignity of every human person from conception through natural death? Do I recognize the face of Christ reflected in all others around me whatever their race, class, age, or abilities? Do I work to protect the dignity of others when it is being threatened? Am I committed to both protecting human life and to ensuring that every human being is able to live in dignity?”

Examination of Conscience in Light of Catholic Social Teaching www.usccb.org

The Diocesan Social Justice Commission requests prayers for all unborn babies in danger of abortion. A sample prayer entitled **Spiritual Adoption Prayer** is as follows: “Jesus, Mary and Joseph, with love for you I ask your intercession to protect the life of unborn children. May they all come to birth healthy and be a source of joy to their parents. For those in danger because of abortion, I adopt them as my own and pray for them and their mothers.”
